

Dear Reader,

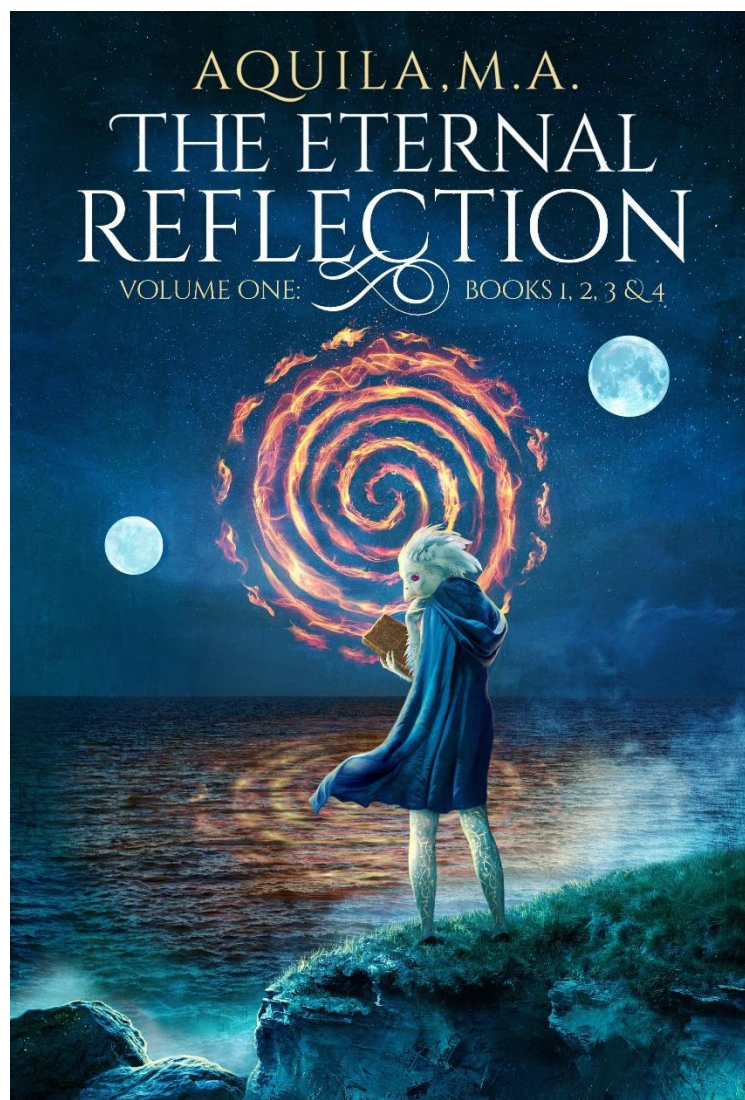

A Thank You for Reading my Novel Series!

I am Aquila, the author of *The Eternal Reflection: Volume 1: Books 1, 2, 3, & 4*. My real name is Yi Xiang, and I live in Singapore.

Thank you for showing such interest and passion in opting to read my novel series!

My novel series has a website, and it is at <https://www.theeternalreflection.com/>

The full high-resolution book cover can be found on my website, which was created by Alejandro Colucci, the book designer of the *Witcher* series:

I have worked on this first volume for the last 5 years. To create this work, I had to balance graduate school, teaching, writing, learning, depression, and other life struggles. I also quit my job teaching at a university just to fulfill this dream, as the spiritual messages within are highly important for the world. Likewise, I have spent thousands of dollars on the production process, working up to 120 hours during some weeks to finish this work.

The novel series is primarily a spiritual novel with a literary and fantasy sub-genre. The overall focus is more on Eastern philosophy, theme, and character development.

The novel series' summarized moral themes and exegesis are on my website at <https://www.theeternalreflection.com/themes-and-lessons-volume-1>

Below are some examples:

I am likely to publish this work in late January or February 2021. Therefore, I will update you when I have published it.

A review on Amazon or Goodreads would be greatly appreciated, but it is entirely your choice!

You do not have to read everything to give a book review! Even a single sentence is much appreciated! You can simply talk about

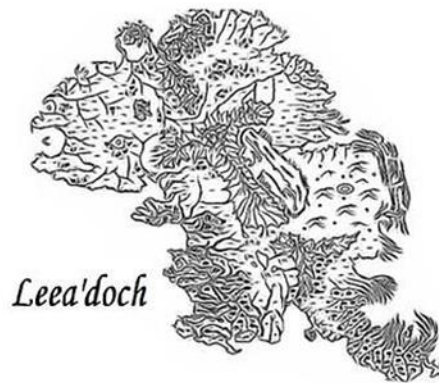

what you have read or felt so far. When you have finished reading it, you can always edit the original review later.

However, reading a bit of books 3 and 4 would be great, if possible, as they have the most depth and climax.

I will read every single book review by my opt-in readers to acknowledge your efforts!

A book review is important as without a healthy number of at least 20 decent reviews, no book would exceed 20 sales. Since Oct 2021, I have tried contacting 200 book bloggers, but to little avail, because of the high entry barriers and backlogged bloggers due to the Covid pandemic. I got Covid once, with my family, who were mostly hospitalized.

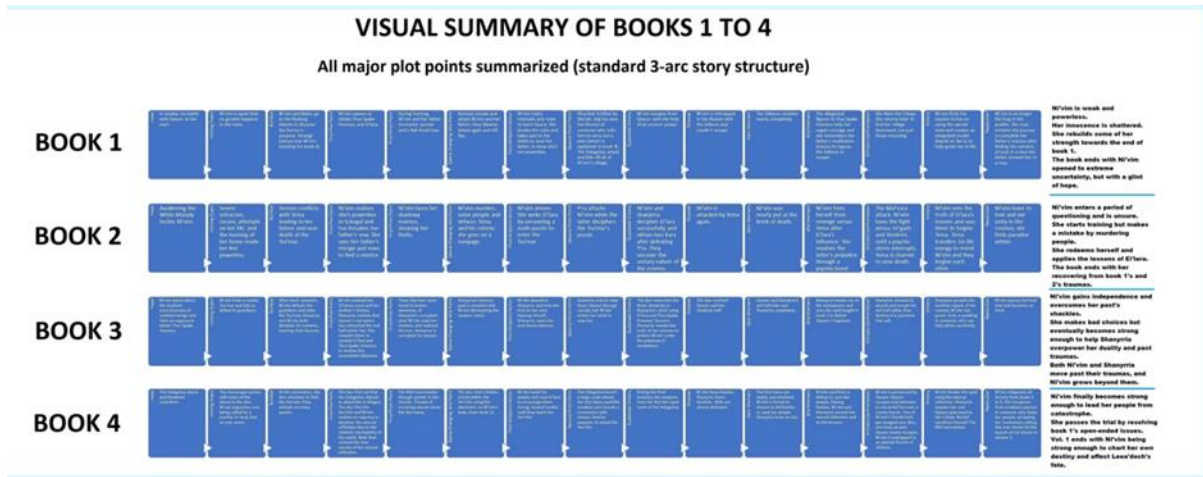

All the diagrams in the books, other than the book cover, have been illustrated by me:

More illustrations involving the world-building are at <https://www.theeternalreflection.com/illustrations>

If needed, volume 1's summaries of books 1, 2, 3 & 4 are at <https://www.theeternalreflection.com/book-summaries> (Spoilers!)

The visual summary is downloadable on the above page:

Please email me at aquilagoh@gmail.com to ask me questions on the novel series' content.

Anyway, I will add you to my future mailing list once I have set up Reader Magnet. **Please feel free to opt out after being added if you desire.** I am currently sending it via this Gmail as it is not ready.

Thanks again, and I am thrilled that you have shown interest in my works!

Cheers,

Aquila
